In re: Davis  
3<sup>rd</sup> Cir. No. 01-1963

Dear Mr. Davis:

This is to acknowledge receipt of your submission entitled, "Motion for Relief from Judgment or Order." No action may be taken in regard to this submission since further review of the panel's decision in the above-entitled application is precluded by statute.

Reconsideration or rehearing of this Court's decision denying authorization to file a second or successive habeas corpus petition is precluded by 28 U.S.C. § 2244(b)(3)(E) which states: "The grant or denial of an authorization to file a second or successive application shall not be appealable and shall not be the subject of a petition for rehearing or for a writ of certiorari."

Aside from the statutory prohibition on further appeal from the Court's decision, Rule 60, Fed. R. Civ. P., which you cite in your submission does not apply to proceedings in this Court. Rule 1, Fed. R. Civ. P. Proceedings in this Court are governed solely by the Federal Rules of Appellate Procedure and this Court's Local Appellate Rules and Internal Operating Procedures. Chapter 11.1.3, Third Circuit Internal Operating Procedures, cited in your cover letter is also inapplicable since you do not have a case pending before this Court and your submission does not concern a situation such as address by that section.

Very truly yours,

Marcia M. Waldron, Clerk

In re: Davis  
3<sup>rd</sup> Cir. No. 01-1963

Dear Mr. Davis:

Your submission to a judge of this Court has been referred to this office for response. No action may be taken in regard to that submission. The proceedings in regard to the above-entitled matter have concluded and no single judge of the Court has authority to intervene in regard to that outcome.

Pursuant to Rule 25, Federal Rules of Appellate Procedure, all requests for relief from the Court, or a judge thereof, are to be submitted to the Clerk. In light of that rule, and because they cannot alter a decision entered by a panel of judges of the Court, judges will not consider or act on submissions sent directly to them.

Your attention is directed to the August 8, 2002 letter of this Court. The Court will not consider any further requests for relief in this matter. That order is binding on all of the judges of the Court and is conclusive. Further submissions in regard to this case will be futile.

Very truly yours,

Marcia M. Waldron, Clerk
